

Orlando
Florida

Dear traveler,

I put this guide together to help make your trip to Orlando as fun, stress-free, and memorable as possible. Whether you're here for theme parks, nature spots, or just some sunshine, this planner will keep everything organized in one place.

Inside, you'll find ideas for where to go, things to do, and handy tips to make the most out of your time. I also added space for notes and planning, so you can make it truly your own.

Orlando has a little bit of everything: world-famous attractions, beautiful springs, and laid-back neighborhoods you can wander at your own pace. My hope is that this guide gives you a balance of both adventure and relaxation.

Take it with you, scribble in it, and make it part of your trip. Most importantly, enjoy yourself. You're about to make some great memories here in Orlando!

Safe travels and happy exploring,

Angelica

Universal Epic Universe

Universal Orlando's fourth and newest theme park opened to the public on May 22, 2025. Epic Universe invites guests to explore five vibrant worlds filled with extraordinary and culturally relevant adventures that go beyond their wildest imaginations.

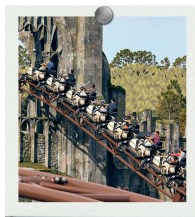

Universal's Islands of Adventure

Islands of Adventure is the second theme park located at the Universal Orlando Resort. It is located a few blocks to the left of Universal Studios Florida. The park opened on May 28, 1999, and is themed to eight different islands, each containing a different theme.

Thrilling Rollercoasters

If you are looking for thrill rides, Islands of Adventure has the most number of rollercoasters out of all Universal Orlando theme parks.

Cocoa Beach

Best for: beach days, surfing, eco-tours, space exploration tie-ins, and bringing your pets along.

Just an hour east of Orlando on Florida's Space Coast, Cocoa Beach is known for its wide, sandy shoreline, surf culture, and relaxed beach town vibe. Visitors enjoy swimming, surfing, paddleboarding, and sunrise views.

Popular Beach Spots

- Lori Wilson Park (with a dog-friendly section)
- Alan Shepard Park
- Sidney Fisher Park
- Robert P. Murkshe Park

For sightseeing, the Westgate Cocoa Beach Pier offers restaurants, bars, shops, live music, and a front-row view of surfing events and rocket launches.

Rock Springs

Rock Springs Run originates from Rock Springs in Kelly Park and flows into the Wekiva River.

- **Rock Springs Run is the river itself.**
- **Kelly Park is where you can swim, tube, and picnic.**
- **King's Landing is the place for all your kayaking adventures.**

You can book a kayaking tour with Get Up and Go Kayaking, a company known for its stunning kayak tours across Florida, featuring crystal-clear kayaks.

Downtown Winter Park

Winter Park is a separate city located just 15 minutes from downtown Orlando. This beautiful area has a walkable downtown area with cobblestone streets, outdoor shopping, parks to picnic in and lakes to enjoy.

Things to Do

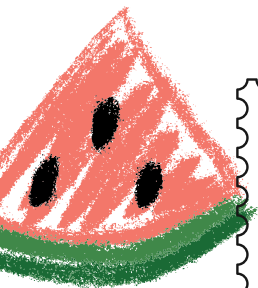

- Have a picnic in Central Park
- Walk around the Rollins College Campus
- Take in the views at the Kraft Azalea Garden
- Visit The Charles Hosmer Morse Museum
- Visit the Mead Botanical Garden

You can explore Winter Park by water with a scenic boat tour or a kayaking tour. Get Up and Go offers clear kayaking tours through the venetian-like canals that make the area so unique.
